**RE: Pre-Demolition Survey Report (PDSR) for Building 910 - Approval**

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the PDSR for Building 910, Revision 0 dated November 15, 2002, received on December 3, 2003 and the modification received on December 5, 2002. Based on the information contained in this PDSR, we are hereby approving the PDSR for B910.

The Division has also reviewed the Notification to invoke the Facility Disposition RSOP, submitted with the PDSR on December 3, 2002. The Division agrees that the demolition of B910 may proceed with utilizing the Facility Disposition RSOP, as long as the concerns identified in the PDSR are properly addressed, specifically with respect to the two sand-filter tanks in B910.
